

CPI INCREASE – February 2019

ATTENTION ALL CUSTOMERS

Dear Customer,

In accordance with Government CPI regulations, the February 2019 CPI increase will be updated in our systems at the close of business on Thursday 31st January 2019.

PLEASE BE AWARE THAT ALL STOCK NOT INVOICED PRIOR TO CLOSE OF BUSINESS THURSDAY 31ST JANUARY WILL BE AT THE NEW POST CPI RATES.

Please ensure you plan your Pre CPI purchases to meet your normal delivery day window. No outside of normal invoicing and delivery schedules can be accepted.

Orders delivered on Friday 1st February that were invoiced prior to close of business on Thursday 31st January, will be at **PRE-CPI pricing**.

All orders that remain in our warehouse for future invoicing and delivery will incur any price increase. By law we are unable to make any exception to this.

To ensure you receive pre-CPI pricing on your order, please order all extra pre-CPI stock in the week prior on your normal delivery day(s). This will ensure that you do not miss the cut off.

If you have any further queries, please do not hesitate to contact Customer Service on 1300 881 458.

Kind Regards,
